- The Committee shall have responsibility for overseeing the administration of the Company's benefit programs.
- The Committee shall establish annually subjective and objective criteria to serve as the basis for the Chief Executive Officer's compensation, evaluate the Chief Executive Officer's performance in light of those criteria and determine the Chief Executive Officer's compensation based on that evaluation.
- The Committee shall establish annually subjective and objective criteria to serve as the basis for the other executive officers' compensation, evaluate the other executive officers' performance in light of those criteria and determine the other executive officers' compensation based on that evaluation. The Committee may consult with the Chief Executive Officer with respect to the compensation of other executive officers.
- With respect to the Company's equity-based compensation plans, the Committee shall approve grants of stock options, restricted stock, performance shares, stock appreciation rights, and other equity-based incentives to the extent provided under the Company's compensation plans. The Committee may delegate to the Chief Executive Officer all or part of the Committee's authority and duties with respect to grants and awards to individuals who are not senior executive officers.

- The Committee shall from time to time review and make recommendations to the Board of Directors regarding the compensation of non-employee directors.
