Handling of Complaints

Upon receipt of a complaint or notice of the nature indicated above, the Audit Committee Chairman will report the matter to and consult with a responsible officer (the "Responsible Officer") to ensure that he or she is fully apprised of the matter and will notify legal counsel of receipt of such complaint or notice. For purposes of these procedures, the Responsible Officer will be any officer of the Company as the Audit Committee may designate, either generally or with respect to a particular matter. Under the oversight of the Audit Committee, the Responsible Officer will conduct an investigation of the matter, summarize his or her findings and conclusions in a written report to the Audit Committee and legal counsel and promptly take, or cause to be taken, any action that may be required to resolve properly the matter which is the basis for the complaint or concern.

If the complaint or notice relates to a weakness or deficiency in any of the Company's internal controls or accounting systems, the Company's Chairman and Chief Executive Officer (or other person designated by the Audit Committee) will oversee any necessary strengthening and/or correction of such weakness or deficiency. If the complaint or concern relates to a misstatement, error or omission in any of the Company's financial statements, or in any report or other document filed by the Company with the Securities and Exchange Commission or other federal or state governmental or regulatory authority, the Chairman and Chief Executive Officer or other person designated by the Audit Committee will oversee the prompt correction or restatement of such financial statement, report or document and, if necessary, will cause any and all amendments to any previously filed reports or documents that may be necessary to correct any such misstatement, error or omission. Any other matters reported will be addressed and resolved in accordance with applicable law and accounting or auditing standards. The Responsible Officer will keep the Audit Committee Chairman and legal counsel informed of his findings and progress.

Upon completion of the investigation and any necessary corrective action, the Responsible Officer will prepare and submit to the Audit Committee a final report on the matter. The report will describe in reasonable detail the complaint or concern reported, the results of the investigation, the conclusions reached and any corrective action taken. If no corrective action was taken, the report will include an appropriate explanation to support the decision to take no action. The Audit Committee Chairman will respond in writing to the person reporting the matter, if known, advising such individual of the results of the investigation and of any corrective action taken or, if no such action was taken, the reasons why no action was taken. A copy of the final report, including all related materials, and response to the Reporting Individual will be delivered to legal counsel.

Retention of Complaints and Reports of Resulting Action

The Audit Committee will maintain a file of all complaints and concerns reported pursuant to these procedures, tracking their receipt, investigation, evaluation and resolution, and of the related reports issued in connection therewith, which summarize the results of the related investigation and any corrective action taken. Copies of all such materials will be retained for at least five (5) years from the date on which the related complaint or concern was initially reported. At least annually, the Audit Committee will provide the Company's Nominating/Corporate Governance Committee with copies of any complaints and concerns it receives, summaries of its investigation and any corrective action taken, without identifying the source, if appropriate.

Legal Counsel and Other Experts

In discharging their responsibilities, the Audit Committee and the Responsible Officer may request and obtain assistance from members of the Company's accounting department or internal audit function and may retain an independent accountant, independent legal counsel or other experts to assist in the investigation of the complaint or reported concern and the implementation of the appropriate remedial or corrective action. The Company shall pay the cost of retaining any such advisor or expert.

Protection of Reporting Individual

The Company will not discharge, demote, suspend, threaten, harass or in any other manner discriminate or retaliate against any person by reason of his or her having made any such complaint, or having reported any such concern, in good faith pursuant to and in accordance with these procedures. It shall be a violation of Company policy for any person to take any such action.
